UCLA Army ROTC
Bruin Battalion
Spring 2017 Week 2

Highlights of T-Week
Special Teams Lab

Commander's Comments:
Bruin Battalion conducted special teams lab at UCLA's Sunset Rec center on 02FEB2017. Cadets learned the process of handling and searching enemy prisoners of war, basic tactical first aid, military communication, and reviewed soldier individual movement techniques. Cadre then demonstrated actions on an objective and the application of special teams.

Planned Events T+1:
Battle Drills Lab
