UCLA Army ROTC
Bruin Battalion
Spring 2017 Week 5

Highlights of T-Week
STX II Lab
(Squad Attack and React to Ambush)

Commander's Comments:
Bruin Battalion conducted STX II lab this week at Chatsworth Park. Cadets practiced squad attack and react to ambush during the force on force missions. The Matadors conducted circuit PT on the

B4 parking structure and a company run for Tuesday's upper body workout.

Planned Events T+1:
Patrolling and KLE Lab
